

Quest through the new arts

Download the Erfgoedapp for free on the App Store:

Or Google Play:

WIFI: Crossroads19

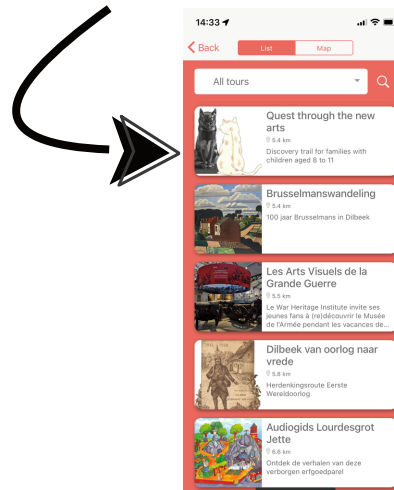

Open the app and tap this **icon** on the home screen:

In the gallery dedicated to the decorative arts of the 20th century, find and scan the works of art that Eddy Cat chose especially for you. You do this by pointing your screen at the piece. The scanner opens automatically. If you accidentally leave the scanner, press this **symbol** on the home screen:

Turn on the sound, but not too loud please. It might disturb other visitors.

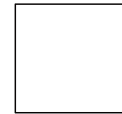

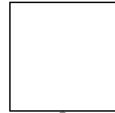

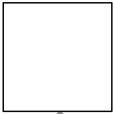

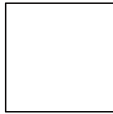

Then choose the tour Quest through the new arts:

There are 9 stops in total, each one with an question. After each question, you will be shown a letter. Fill these in on this trail sheet. Once you have all 9 letters, put them in the right order to find the word!
